Dear Applicant,

We are delighted that you are considering the part-time role of Children and Families Worker at St Catherine's – initially a 5-year term contract. This is an exciting time for our church: we see God at work in many ways, including through our growing ministry to children and families in the community.
I hope this pack provides the information you need. If you have any questions or would like an informal chat, please call me on 07745 844601 or email office@stcatherines-tilehurst.org.uk.
